

GENERATE PROFESSIONAL SERVICES REVENUE

Typical Engagement Estimates for Implementing MetaJure

Partners ensure that MetaJure is implemented for top performance and that customers receive the training they need to maximize their success and satisfaction. MetaJure offers significant professional services opportunities in setting up, installing and configuring the software. Below are estimates for typical engagements.

Engagement	Estimated Revenue
Pre-planning, installation and configuration of the MetaJure server (8 hours @ \$175/hour)	\$1,400
Installation of the MetaSync PC Software on 20 PCs (15 mins per PC = 5 hours @ \$175/hour)	\$875
Onsite training and best practices implementation (2 hours per session, 4 hours for the 2 sessions @ \$175/hour)	\$700
Post engagement follow up and additional support (6 hours @ \$175/hour)	\$1,050
Travel time to engagement (6 hours @ \$175/hour)	\$1,050
Travel expenses (airfare, hotel, incidentals)	\$795
Total	\$5,870

Additional Professional Services Opportunities include

- Configuring MetaJure for document & email retention
- Supporting Paperless Office initiatives
- Providing analytics & audit reports and presentations
- Addressing special use cases and additional ways to help firms improve efficiency
- Using MetaJure to handle data destruction initiatives
